The 2015 Outdoor Ministry theme is ***"Power Up, Living in the Spirit"***. Campers will not just be learning about Jesus, but more about learning how to live as a follower of Christ powered by the Holy Spirit.

New programs for the 2015 program season are a camp for college students and young adults during the summer season along with a winter camp experience for junior and middle school age campers.

Camp MoVal is an accredited camp of the American Camp Association. What that means for Camp MoVal is that we maintain the highest level in camping standards and deliver a very high quality program and ministry in a safe and sacred space.
